INTRODUCTION

It is with great pleasure that I introduce Merlin's latest F.A. Premier League sticker collection - the only official sticker collection of the F.A. Premier League.

Having enjoyed a thrilling start to the new campaign, I'm sure you'll agree that the 2001/2002 season looks likely to be the most exciting yet. Not only have fans been treated to the glittering skills of such superstar signings as Juan Sebastián Veron and Giovanni Van Bronckhurst, but the continued growth of the Premiership's home-grown talents, like David Beckham, Sol Campbell and Steven Gerrard, has been a delight to watch too. With standards improving at every level throughout domestic football, from the impressive youth academies to the first teams, it is no surprise that the F.A. Premier League is considered among the best leagues in the world.

Just as the F.A. Premier League continues to improve so do Merlin's wonderful series of accompanying sticker collections and the latest edition is no exception. As you'd expect from a Merlin collection it is crammed with all the biggest stars, the most in-depth statistics and state-of-the-art design. This year there's also a very exciting change to look out for. For the first time ever each player portrait sticker features a genuine facsimile of their autograph - that's 360 superstar player signatures in total.

For football fans everywhere, there is no better way to follow the F.A. Premier League than with Merlin's 2002 sticker collection. So, no matter which team you support, good luck for the season ahead and enjoy the new collection.

Richard Scudamore
Chief Executive of The F.A. Premier League

MANAGER

Now in his fifth season as the Gunners manager, Arsène Wenger has led his north London team to a championship win and three consecutive second place league finishes during his time with Arsenal. The Frenchman is much admired for his astute tactical awareness and shrewd transfer dealings. Wenger will hope that his new signings will edge him closer to a second championship.

MANAGER

Alan Curbishley is one of English football's longest-serving managers and there's little doubt that Charlton have enjoyed the full benefit of his development as a coach. Curbishley is well regarded among his peers and must take a lot of the credit for Charlton's continued progression, with the Addicks now firmly established as a Premiership club.

F.A. PREMIER LEAGUE HISTORY

The image shows a large, multi-page document, possibly a technical drawing or a large table, held open by red binder rings. The document is filled with dense, illegible text and diagrams, suggesting a complex technical specification or a large-scale data table. The pages are arranged in a grid-like fashion, with multiple columns and rows of text visible. The overall appearance is that of a professional or academic document, possibly related to engineering or architecture.

2000/01 GOALSCORERS

1. The first section of the book is a light cream color with faint, repeating text. The text is arranged in a grid-like pattern, with columns of text separated by vertical lines. The text is too faint to read clearly, but it appears to be a list or index of some kind.

2. The second section of the book is a dark, textured material, possibly leather or cloth. It features a grid of small, rectangular, light-colored patches. These patches are arranged in a regular pattern, with rows and columns. The patches appear to be labels or markers of some kind.

3. The book is bound on the left side, with a visible spine. The binding material is a dark, textured material, possibly leather or cloth. The spine is visible on the left edge of the image.

4. The overall appearance of the book is that of an old, well-used volume. The pages are slightly discolored, and the binding shows signs of wear.

5. The text at the bottom of the image, which is partially obscured by the book's binding, reads: "Lewis 1 (CUB)".

CRAVEN COTTAGE

TEAM

MANAGER

Jean Tigana successfully won promotion for Fulham in his first season at Craven Cottage and has wasted no time strengthening his squad in an effort to find Barclays Premiership stability. A typically methodical French, latent for his players to press themselves at Premiership level, Jean Tigana will encourage his squad to play the free-flowing football that has become their trademark.

TEAM

MANAGER

After George Burley's incredible managerial debut in the Barclaycard Premiership last season, there is now a queue of admirers keen to pick up on the Scotsman's unique style. A policy of uncomplicated, attractive, but highly effective football has served Burley and his players well as they've found their Premiership feet. He will be looking to build on last season's form after some key summer signings.

MERLIN'S SKILL ZONE

to play in the Barclays Premier League takes time, practice and a lot of hard work on the training ground. Stars like David Beckham, Rio Ferdinand, Jimmy Floyd Hasselbaink and Michael Owen practice every day to improve their game and with the same dedication, and a little help from Merlin's Skill Zone, you too could one day play in the Premier League like your heroes.

David Beckham

CROSSING

A footballer with the ability to supply quality crosses to strikers is priceless in today's game.

PLAYER TO WATCH

England skipper David Beckham rarely needs to head his own goal still has one of the highest assist rates in the Premiership.

MERLIN'S TOP TIP

Remember, you don't need to take a player on to deliver a cross. Strike the ball firmly and positively with the inside of your foot, as this is the most accurate part of the foot. Connect with the lower half of the ball to get the necessary height on the cross and don't forget to follow through.

Jimmy Floyd Hasselbaink

SHOOTING

Although most goals are scored from inside the penalty area, there's nothing more spectacular than smashing one past the keeper from outside the box.

PLAYER TO WATCH

Jimmy Floyd Hasselbaink generates power in his shooting that defies belief and many of his 23 Premiership goals were testament to his flawless technique.

MERLIN'S TOP TIP

Your non-kicking foot is extremely important when shooting. It should be placed alongside the ball to give you a firm balance on which to execute the shot. With the laces of your boot, strike the ball in the centre, keeping your head over it and remember to follow through with your kicking foot as the ball screams into the top corner!

Rio Ferdinand

HEADING

Whether its attacking or defending, heading is a fundamental part of the game and games can often be won or lost on a team's aerial ability.

PLAYER TO WATCH

Although Rio Ferdinand has an incredible abundance of skill, it is his dominance with basic techniques such as heading, that has made the Leeds United rock one of the world's best defenders.

MERLIN'S TOP TIP

Always keep your eye on the ball and keep your mouth closed, or you could end up biting your tongue! Connect with the centre of the forehead, using the neck muscles for power and arms for balance. If you're slightly underneath the ball to direct the ball upwards and if you're attacking, time your jump to get over the ball and head it downwards, making it more difficult for the goalkeeper to save.

Michael Owen

PENALTY

The dreaded penalty is often the moment when you become either hero or villain, yet remains one of the most exciting elements of football, for the spectators at least!

PLAYER TO WATCH

When the pressure is on, Michael Owen is as reliable from the spot as anyone, having scored crucial penalties for Liverpool and England.

MERLIN'S TOP TIP

Although there are a number of techniques, the most trusted is to decide where you're going to put the ball early, never change your mind and strike the ball firmly with the inside of the boot, or if you are feeling confident, use the laces for extra power. If you are the goalkeeper, make yourself as big as possible to unnerve the kicker and keep your eye on the ball.

Advanced Skills

THE ROLL ON THE FOOT

Roll your foot around the ball from the inside to the outside, then adjust your balance and take off in the opposite direction using the outside of your other foot to move the ball away from your opponent.

THE DRAG BACK

Place your foot on the ball and shove it to your opponent to break the tackle. As they lunge, pull the ball away with the sole of your foot and push yourself off in another direction, leaving the defender behind you.

THE SHIMMY ON THE GO

When approaching your opponent, drop your shoulder as if going to the left or right, but instead move the ball with the outside of your foot in the opposite direction and accelerate away.

THE WALL

Practice keeping the ball off the floor by using both feet to kick it alternatively. As you improve try using other parts of your body like your head, thighs, and chest. Keep count of how many touches you make before the ball hits the floor and try to beat your record by practising regularly.

HYPRO

To master these skills takes a lot of practice, patience and of course a football! To help you improve your game, Merlin has teamed up with Hy-PRO to offer you some special training gear just like the professional use at a special discount price for Merlin collectors. We have two great offers that can save you up to £9 off the recommended retail price.

Welcome to the Merlin Mini sticker album.

Merlin, the publishers of the only official F.A. Premier League sticker collection, have teamed up with my friends at Walkers to bring you the ultimate guide to the Barclaycard Premiership's top stars. What's more, they've asked me, Gary Lineker, to help them out by picking four of the best from each club - that's 80 superstars in total.

I've seen some excellent footballers over the years and I've played with some great players too during my time with England and with clubs like Leicester, Everton, Tottenham and Barcelona, but choosing just eighty from the wealth of talent in the Premier League was really difficult.

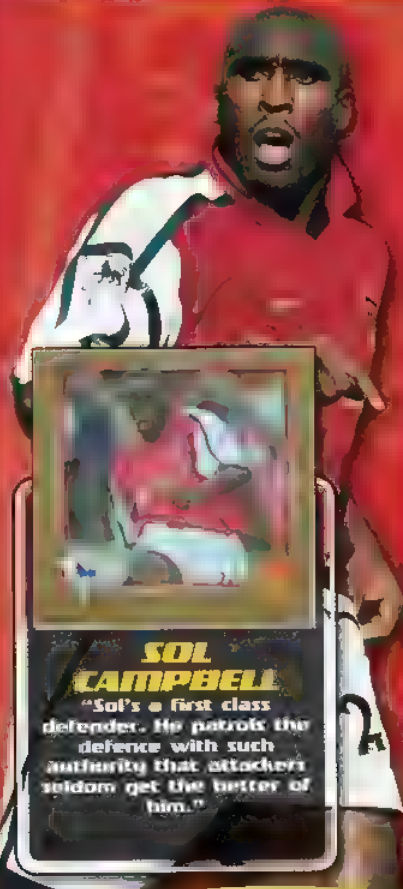

After a lot of thought I finally made my choices and you can find out who they are simply by collecting the free Merlin Minis in promotional packs of Walkers Quavers, Monster Munch, French Fries, New Walkers Footballs and New Walkers 3D's. In lucky packs there are three stickers featuring one of the top stars I have selected. Walkers are giving away over 200 million stickers, so get collecting now!

Furthermore, in special Walkers Multipacks you can get two free standard Merlin stickers to help you complete your F.A. Premier League 2002 sticker album. Some of these stickers might even be shinies.

So, no matter which team you support, get your hands on a pack of Walkers snacks and in lucky packs you can check out the Premier League's top footballers while you're getting stuck into your favourite snacks.

ARSENAL

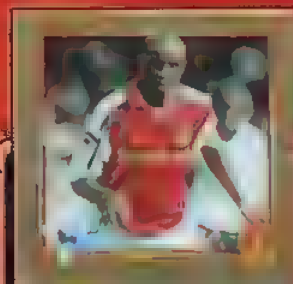

"Arsenal have got a nicely balanced squad with a good mix of home-based and foreign stars, skill and grit, youth and experience. They are an exciting side and the players I've selected all have an important role to play."

ASHLEY COLE

"He's come on leaps and bounds in a really short time and can only get better playing alongside Arsenal's other great defenders."

PATRICK VIEIRA

"Every team would like a player of Patrick's ability in their midfield. He can control the game like few other midfielders in the world."

THIERRY HENRY

"It's amazing to think just what a good forward Henry can become - he's already such a wonderful player and yet he's still very young."

ASTON VILLA

"John Gregory's building a strong team at Villa. There's a lot of talent to select from and I've chosen four who can emerge as Villa's key performers this season."

PETER SCHMEICHEL

"It's good to see Peter back in the Premier League. He's still one of the best 'keepers in the world and he's a great character too."

PAUL MERSON

"Paul's always been an exciting player and the fans have loved him wherever he's been. It's no surprise to see him playing so well for Villa."

LEE HENDRIE

"Lee's worked hard to get himself a regular place in the Villa side and he deserves to be there. Knowing England have young players of his ability pushing for a place in even's squad is very encouraging."

JUAN PABLO ANGEL

"It took a while for Angel to settle, but now he's starting to show his ability. He got off the mark early this season and that will really help his confidence."

BLACKBURN ROVERS

"Blackburn's squad is well equipped to cope with the Premiership. They have a good mix of players who've been in the top-flight before, and some new signings and young stars who will be eager to prove themselves."

**HENNING
BERG**

"Henning's a real winner. You only have to look at his record with Manchester United and Blackburn to see that he's been part of some wonderful English teams."

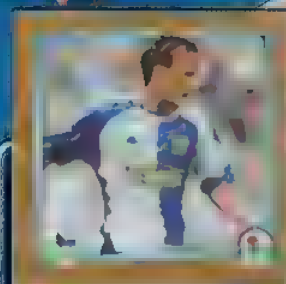

**GARRY
FLITCROFT**

"Garry's one of those players that every side needs. He works really hard all over the pitch and drives his team-mates on as well."

**CORRADO
GRABBI**

"Not many people had heard of Chico before he joined Rovers but he had a very good reputation in Italy. He's a stylish player and I think he'll adapt well to English football."

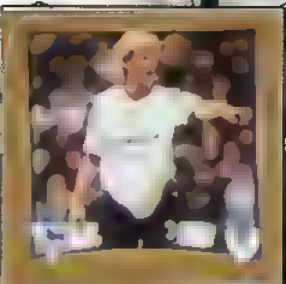

MATT JANSEN

"Matt's still very young and has a great career ahead of him. He's got lots of ability and the fans love him because he scores some wonderful goals."

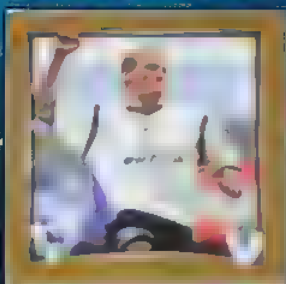

BOLTON WANDERERS

"Sam Allardyce is fully aware of his squad's strengths and he has all the players well prepared to compete in the Premiership. The enthusiasm and experience of players like Hendry and Frandsen can bring the best out of their attackers."

COLIN HENDRY

"Colin knows all about playing in the Premier League from his spells with Blackburn and Coventry. He's an important player for Bolton because of his wealth of experience."

**PER
FRANSEN**

"Per's an important part of the Bolton midfield. He works tirelessly for the team and is very dangerous from set-pieces."

RICKETTS**

"Michael's goals will be important for Bolton. He's already off the mark this season which is really good news and will give him lots of confidence."

CHARLTON

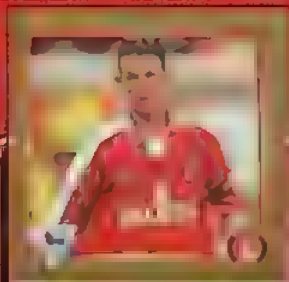

ATHLETIC

"Charlton have a good, compact team. They will be looking to the likes of Bartlett, Johansson, Kinsella and Rufus to help the Addicks consolidate their Premiership status."

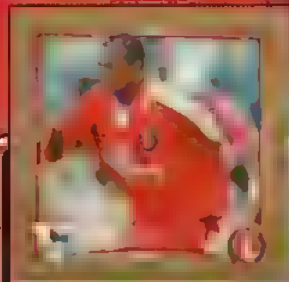

RICHARD RUFUS

"Richard was in really good form for the Addicks last season. He's become one of their most influential players."

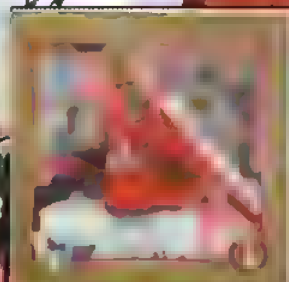

MARK KINSELLA

"Mark's proved that he belongs in the Premier League. He was one of the players key to Charlton's success last season."

SHAUN BARTLETT

"Shaun scored one of the best goals of last season - a really fantastic volley. I don't think there'll be many keepers looking forward to facing him this season!"

JONATAN JOHANSSON

"Jonatan has proved a really good buy for Charlton. He scored some vital goals that have helped the team to relax and play good football."

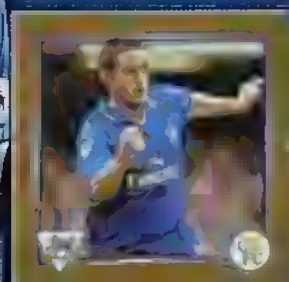

CHELSEA

"The Chelsea squad is full of talented stars and the four I've chosen all have an important part to play in the club's fortunes this season."

MARCEL DESAILLY

"What a great defender and a good example for young players. He's always focused on the job at hand and never loses his cool."

FRANK LAMPARD

"This is an important season for Frank. If things go well for him at Chelsea he can become one of the best midfielders in the country."

EMMANUEL PETIT

"Mami's always stood out as a great player. He loves to compete in midfield and has such skill and ability too."

JIMMY FLOYD HASSELBAINK

"Jimmy's a really awesome forward. He can score goals from anywhere and his strength makes it very difficult for defenders to play against him."

DERBY COUNTY

MART POOM

"Mart's been one of Derby's best players in recent seasons. Whenever he's in the team the Rams are a difficult team to score against."

"Poom, Kinkladze and Burley are established players in the Derby side. Along with Ravanelli, the Rams have a good mix of strength, creativity and experience."

GEORGI KINKLADZE

"Georgi's one of the Premier League's genuine showmen. He knows all the tricks in the book and is a real handful for defenders."

CRAIG BURLEY

"Burley is an experienced player who has become very popular with the Derby fans. He's a gritty performer who works hard for the team, frequently providing the link from defence to attack."

FABRIZIO RAVANELLI

"Ravanelli's a class act. He's played at the highest level throughout his career and scored against some of the best teams in the world."

EVERTON

"I only had one season on Merseyside, but they always had a good team back then. This season, it's crucial that the senior players are in good form if the Toffees are going to do well, so I've picked four of their most experienced players."

DAVID UNSWORTH

"David's regarded very highly in the game. He's a truly excellent competitor and a very solid defender."

PAUL GASCOIGNE

"Gazza's been so unlucky with injuries recently. It would be great to see him fully fit and reminding everyone what a superbly talented player he is."

KEVIN CAMPBELL

"It's no surprise to see that Kevin's been handed the captain's armband for Everton. He's been one of the Toffees' best players in recent seasons."

DUNCAN FERGUSON

"Dunc's been back to his best since returning to Goodison. He's a towering figure and people forget just how good on the ball he actually is."

FULHAM

"Fulham are a very exciting prospect. The club is hugely ambitious and Tigana is a great coach who likes his team to play attractive, attacking football."

EDWIN VAN DER SAR

"Fulham are a really ambitious club and buying van der Sar, one of the best keepers in the world, really proves that."

SEAN DAVIS

"Sean's a young player who's come through the ranks at Fulham to become one of their best players and is a really exciting prospect."

LUIS SAHA

"Saha got straight down to business in the Premier League. Scoring against Manchester United in Fulham's first game showed what huge potential he has."

STEVE MARLET

"Marlet's new to English football, but Tigana obviously rates him. If his partnership with Saha gels, Fulham are going to have a very dangerous attack."

IPSWICH Town

"Ipswich have a strong first team with good players in key positions. The four I've chosen link the team's defence and attack with great effect."

TITUS BRAMBLE

"Titus has been outstanding for Ipswich. When you see him play, he shows such maturity and authority it's easy to forget that he's just 20."

MARTIJN REUSER

"It took Martijn a while to establish himself at Ipswich, but since he's been playing regularly he's really won the fans over."

FINIDI GEORGE

"Finidi's come into the Ipswich side and been an instant hit. He's got loads of ability and slotted into the team like he's been playing there for years."

MARCUS STEWART

"Stewart's goal tally last season may have come as a surprise to some, but he's always been such a natural finisher and the potential to become a top player was well within his capabilities."

LEEDS UNITED

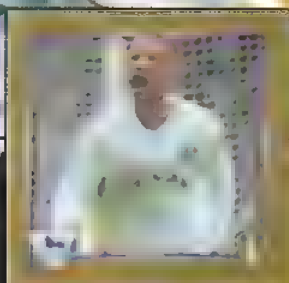

"Leeds have some excellent young players with huge potential. I've chosen four of

their brightest prospects who all have great careers ahead of them."

RIO FERDINAND

"Leeds are already reaping the rewards of Rio's signing and so is he. He's a class player and looks comfortable playing at the top level."

MARK VIDUKA

"Viduka is a real handful. He's got so much energy and enthusiasm it's impossible to keep him out of the game."

HARRY KEWELL

"Injury hampered Kewell's progress last season, but now he's fully fit you can expect to see him terrorising defenders like he did a couple of seasons ago."

ALAN SMITH

"Although Alan's still only 21 he's not at all intimidated by an opponent's reputation even when he's up against great players."

LEICESTER CITY

"My local team and the club that first gave me a start in the game. I'd love to see the Foxes do well and challenge for some silverware this season."

IAN WALKER

"Ian's been one of the Premier League's best goalies for some time now. He's played for England as well, so he brings a lot of valuable experience to the Foxes."

MATT ELLIOTT

"Matt's a very solid defender, but he's got plenty of skills too. When he's played up front for Leicester he's looked a natural."

DENNIS WISE

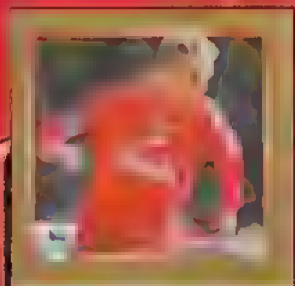

"Prizing Dennis away from Chelsea can't have been easy, but he's a great addition to the squad. He can really help drive Leicester forward this season."

MUZZY IZZET

"Muzzy's a player who's very well respected throughout the Premier League. He has great ability and is always involved in Leicester's most exciting play."

STEVEN GERRARD

"An absolutely outstanding talent - he's the complete midfielder. There's nothing that Steven isn't capable of achieving with Liverpool and England."

EMILE HESKEY

"He's come along so much as a player with Liverpool. He's really starting to fulfil his potential and has many years at the top level to come."

MICHAEL OWEN

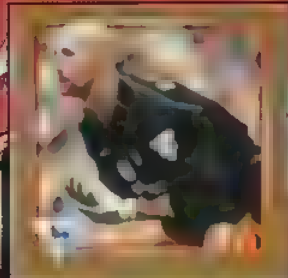

"What can you say about Michael Owen? He's just such an awesome talent - a truly world-class striker, perhaps even the best at the moment!"

MANCHESTER UNITED

"It's Sir Alex Ferguson's last year in charge and he'll be wanting to go out in style. They have such a talented squad, it was really difficult selecting just four players to include."

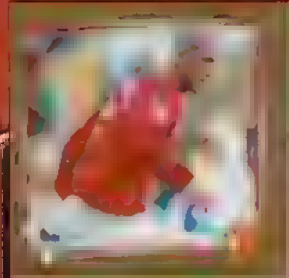

FABIEN BARTHEZ

"A great character and a great player too. One minute he can make a world class save and with his next touch create a goal."

JUAN SEBASTIÁN VERÓN

"Everyone in the game speaks so highly of Verón's ability and it's difficult to disagree. He looks a great, great player."

DAVID BECKHAM

"Apart from the glamorous side to David he's a really fantastic player. Since becoming England's captain he's shown just what a good leader he is too."

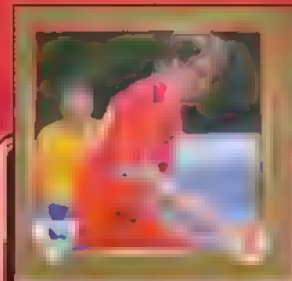

RUUD VAN NISTELROOY

"Ruud can go on to be one of United's great forwards, alongside the likes of Law and Cantona. He's in such a good team and should score a bundle of goals."

MIDDLESBROUGH

"Steve McLaren's inherited an excellent Boro squad. Senior players like Ince, Southgate, Boksic and Ehiogu have valuable experience of playing at the top level. They will be vital to the team."

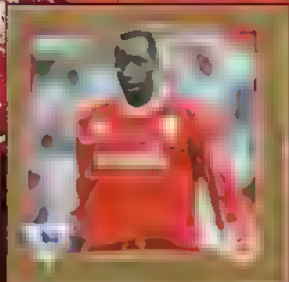

ALAN BOKSIC

"Alan's a world class striker. He's a player who can score goals at any moment because he has the ability and talent to get the better of a defence single-handedly."

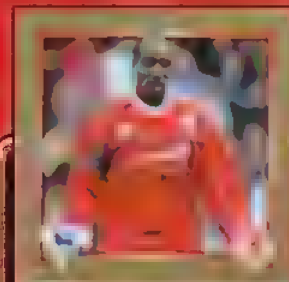

GARETH SOUTHGATE

"Gareth's been one of the country's best defenders for some time now. Boro are going to be a difficult team to break down now he's back alongside Ehiogu."

UGO EHIOGU

"When Ugo joined Boro, he was just the player they needed. He's strong and commanding and immediately tightened the defence."

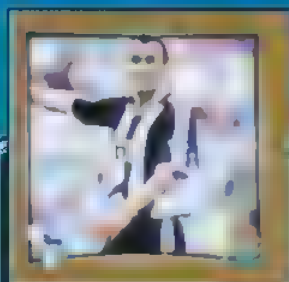

PAUL INCE

"Everyone knows Ince as 'the Gov'nor' and that's how he'll always be known - as a true leader and a great midfield player."

NEWCASTLE UNITED

"Bobby's a fantastic coach and I have some great memories of playing for him. He loves Newcastle and will give everything for the club."

NIKOS DABIZAS

"Dabizas makes such a huge difference to Newcastle's defence when he's playing. It's a shame he's been so unlucky with injuries."

LAURENT ROBERT

"Laurent already looks like one of the best signings of the summer. He's a wonderful left winger of the kind that Newcastle fans haven't enjoyed since Ginola was there."

NOLBERTO SOLANO

"With Robert on the left wing and Solano on the right, Newcastle are going to be a real attacking threat down the flanks."

ALAN SHEARER

"Alan's a hero in Newcastle - the fans absolutely love him and no wonder too. His goal record in the Premiership is unlikely to be bettered for some time."

SOUTHAMPTON

"Southampton are building for the future. They have a new stadium, new coach and a good, strong squad."

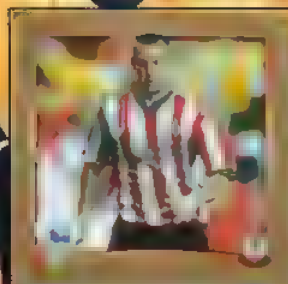

PAUL JONES

"Paul's been the Saints' number one for some time now and he's always been a really good 'keeper for them - he never lets the side down."

WAYNE BRIDGE

"In a short time, Wayne's emerged as one of the Premier League's best full-backs. He has great potential and can push for an England place before long."

RORY DELAP

"Rory's a very good acquisition for the Saints. They paid a lot of money for him, but he has the ability to become one of Southampton's best players."

MARIAN PAHARS

"Marian's a tricky forward and an exciting player. The fans really enjoy watching him because he's got some wonderful skills."

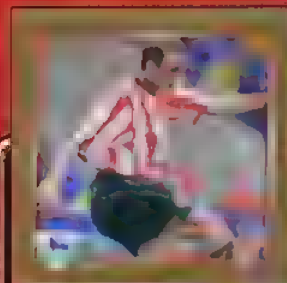

SUNDERLAND

"Fans in the North-East are unbelievable and Sunderland's are no exception. They'll be cheering on the whole team and the players I've picked are very important to the side."

MICHAEL GRAY

"There were no arguments when Peter Reid made Michael his captain. He's a local lad who's been at the club all his career, so he's a very popular choice among the players and fans."

GAVIN MCCANN

"Peter Reid's moulded Gavin into a really accomplished player. He's still improving his game but has already shown enough talent to earn himself an England cap."

KEVIN PHILLIPS

"Kev has really made an impact in the Premier League. He's such a natural striking talent and his goal tally with Sunderland is absolutely outstanding."

NIAL QUINN

"Big Niall's a real handful for defenders. It's not just his size that causes problems, he's got great all-round ability and scores some really good goals."

TOTTENHAM HOTSPUR

"I have some fond memories of playing at White Hart Lane so I really hope the team does well this season. Glenn's a great coach and he's got some excellent players at the club."

NEIL SULLIVAN

"Neil's adapted very well to the Spurs set-up. He came into the side and straight away made the number one shirt his own."

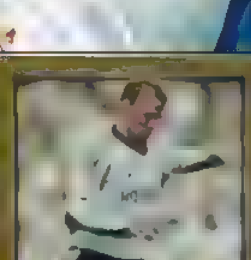

GUSTAVO POYET

"The Spurs fans will really enjoy seeing fun at White Hart Lane. He's a fantastic attacker with the valuable ability to score plenty of goals from midfield."

SERGEI REBROV

"It took a while for Sergei to settle, but there's no denying the ability he has. He can score and create goals with his vision and skill."

TEDDY SHERINGHAM

"Teddy's a Spurs legend. Fans will remember all the good times from his previous spell at the club and hope to see some more of the same now he's back."

West Ham UNITED

"The Hammers have so much talent in their squad that they are capable of beating anyone. Cole, Kanoute, Repka, and Sinclair are all outstanding players."

JOE COLE

"There's a lot of pressure on Joe, but he can handle it. He's got plenty of time on his side and so much skill and ability, that he's sure to become a big star."

TREVOR SINCLAIR

The Transfer Desk

Welcome to Merlin's F.A. Premier League Transfer Desk. It's been a busy season for new signings already. Manchester United smashed the British transfer record twice with the arrival of Ruud van Nistelrooy and Juan Sebastián Veron, while elsewhere title-contenders Liverpool, Arsenal and Chelsea have all been busy adding to their squads for the new campaign. With more big moves expected, Merlin's Transfer Desk is the place to keep up with all the changes. Along with a table of the F.A. Premier League's record transfers, we've highlighted two recent big-name signings and left room for you to keep up-to-date with any transfers over the coming months.

Juan Sebastián Veron

The classy Argentine midfielder is among the best players in the world and will make United's midfield line-up the envy of clubs all over the world.

Frank Lampard

Adding to the English contingent at Chelsea, Lampard is manager Claudio Ranieri's record signing to date and the first English player he has brought since taking charge at Stamford Bridge.

MANAGER

Recruited early on in the season, 'Harry' Basset is a vastly experienced manager who ran last previous spells with two Premiership clubs. Basset's plans have a long-term outlook with the appointment of assistant boss Micky Adams. The combination of Adams' coaching skills and Basset's motivational management should suit the Foxes well.

MANAGER

Following the
trale of last season's
achievements, Gérard
Houllier can now be
talked about in the same
breath as the band of
legendary managers that
preceded him. That in itself
is a huge achievement and
won't be taken lightly by the
committed Frenchman, who will be
desperate to add to the assembly
of silverware he's already
taken back to Anfield.

OLD TRAFFORD

TEAM

MANAGER

In his last season as manager of the Premiership's defending champions, Sir Alex Ferguson will certainly want to leave his mark as the only manager in history to collect four league championships in a row. Big transfer fees were splashed out in the summer to ensure his side were as competitive as ever and there's little doubt that Ferguson's men are once again the team to beat.

MANAGER

Steve McLaren's move from Old Trafford surprised a few people, but Manchester United's former coach is keen to show he can handle the demands of management and jumped at Boro's invitation to take charge at the Riverside. McLaren's coaching skills are well renowned and he'll want to prove that his management skills are just as impressive as his work on the training pitch.

WHITE HART LANE

TEAM

MANAGER

As one of Tottenham's favourite sons, Glenn Hoddle is a popular managerial choice among Spurs supporters who hope he can bring the glory days back to White Hart Lane. Hoddle is among the game's finest coaches and with a clutch of intelligent signings during the summer to add to a burgeoning squad of young players, his plans for Spurs' return to the upper regions of the Barclays Premiership are quite clear.
